Taxation provision substantially removed

In the audited financial statements for the year ended 30 June 2008 the Company provided £302,226 in respect of adjustments to the tax computations for the years ended 30 June 2005, 2006 and 2007 and for potential penalties. Following completion of the audit, representations were made to HMRC to allow for reassessment of these prior year tax returns.

The Directors are pleased to announce that HMRC has now confirmed that it accepts these adjustments, and therefore the provision is no longer required.

The Company's June 2009 financial statements will include the release of the corporation tax provided for at 30 June 2008 of £302,226 in respect of previous years. This will be reflected in the June 2009 financial statements as a reduction in the 2009 corporation tax expense by virtue of an over provision of corporation tax in the previous year.
